

ISLAND BOWLERS AT LEAMINGTON

Island interest at Leamington revolved round the National Fours Championship and The National under 25 Championship.

NATIONAL FOURS

Marilyn Rumble, Cath Wooldridge, Rosemary Evans and Sue Young were in action on Sunday, 1st August in the Fours against a team from Yorkshire. None of the Island ladies were at their best and the game was lost after 20 ends.

NATIONAL UNDER 25

Morgan Merryweather played her under 25 game against an older and much more experienced young lady from Derbyshire on Wednesday, 4th August. Morgan must have had her more experienced opponent rattled as she settled in more quickly than her opponent. Morgan did lose, but played a lot of excellent bowls during the game. Each time she steps on the green she seems to improve; if she continues with her bowling she will be eligible for this competition for the next decade and Wednesday's experience will stand her in good stead.

* * * * *

The biggest story for Berkshire at Leamington so far is the success of the Wokingham quartet of Shirley Dutton, Marion Evans, Nell Westlake and Lilian Holliday - they were runners-up to Nottinghamshire in the National Fours.

Congratulations to them.
